WEDDINGS

- AT FAWSLEY -

Your special day deserves a special place

Set in the tranquil heart of the beautiful Fawsley Estate, The Granary is a family run wedding venue with a small team of dedicated staff. A series of converted barns tucked into a little valley, with stunning views of the countryside beyond, The Granary is a photographer's dream.

We believe that when it comes to weddings, one size does not fit all. We pride ourselves on offering our couples flexibility and the perfect backdrop to create their dream day. Our exclusive use only basis means that it's all about you, and our experienced team are able to lavish you with their expertise, focus and attention.

Situated on the Northamptonshire/Oxfordshire border within easy reach of both the M1 and M40, it's hard to believe our rural location is so accessible.

“

The Granary is the most stunning, rustic, intimate and relaxed venue with the ability to put your own bespoke stamp on your day.

Your perfect wedding venue

The Granary at Fawsley offers two ceremony spaces indoor, and our lawn is licensed for outside ceremonies. Our pretty Fawsley Suite with its oak beams and Grade II listed windows with stunning valley views is perfect for weddings of up to 80 guests.

For larger weddings, our fairy-lit Barn has a real wow factor. This light and spacious room can seat up to 160 guests and offers beautiful views of the countryside beyond. The Barn has a large black and white dance floor and there is plenty of space for a band or a DJ (or both if you can't decide!) and a fully stocked licensed bar.

For couples wanting a religious ceremony there is the option to say your vows within the stunning walls of the 13th Century, Grade I listed Fawsley Church, situated 1/4 mile from The Granary. Availability for this option is limited so please ask for further details.

“

The venue itself is so beautiful, it's remote in location but this adds to the charm. You feel as though you are in your own part of the world, away from the hustle and bustle of modern day life and able to fully celebrate with the people in your life that matter.

FOOD

- AT FAWSLEY -

Made just for you

In keeping with our philosophy that no two weddings are the same, we don't have set menus for you to choose from. Instead, our chef will discuss your requirements in detail and design your menu based on your personal preferences and budget.

We do have some sample menus for you to check out, but these are just to give you some ideas of the types of dishes we can create.

So whether it's a traditional sit down wedding breakfast you're looking for, something more casual, international cuisine or a more quirky option like street food, we've got you covered. It's a given that we can provide vegan, vegetarian, gluten free and any other dietary options required.

DRINK

- AT FAWSLEY -

A tipple or two

With nine different drinks packages to suit all tastes and budgets, a corkage option and a very well stocked bar, we have thought of everything.

We can also create drinks especially for your day. From gin cocktails to summery bellinis and winter warmers, we can make sure the drinks reflect the theme and feel of the day.

We also have a beautiful horse box bar, which makes a great Prosecco/Gin station on the lawn, perfect with canapés on a summers day!

Accommodation

Here at The Granary we think it's the little things that count, which is why all 10 of our bedrooms have been individually decorated with emphasis on comfort.

The happy couple receive a complimentary stay in our Bridal Room and we have a further nine bedrooms for the use of your wedding guests. We find providing your wedding guests with accommodation gives them the freedom to enjoy your wedding in one place before retreating to their bedroom later without the worry of driving home.

There is no better end to your wedding than a breakfast debrief the next morning with your nearest and dearest.
